

EFFORTLESS LUXURY IN THE WORLD'S MOST DESIRABLE LOCATIONS.

This aesthetically stunning villa represents modern, artistic architecture. The upper storey is set at an angle, which is not only visually striking, but is ergonomically convenient as it provides more space for a bedroom terrace round the side of the house. The open plan interior is characteristic in style, and fully opens up to the lush outdoor area via the huge sliding doors. Here, there are sheltered dining and lounging areas, with an expansive swimming pool completing the garden.
