

EFFORTLESS LUXURY IN THE WORLD'S MOST DESIRABLE LOCATIONS.

This villa sits peacefully in Las Brisas and enjoys breathtaking views of La Concha mountain. The chic interior is brought to life not only by the colours and furnishings, but by the sight of the serene surrounding area which, together with heaps of natural light, seeps into the living space through the broad sliding doors. These open you up to the levelled garden which consists of various places for lounging and dining in the company of the natural landscape, pool and arrangement of palm trees.
